

## What is Aberdeen City Voice?

- Aberdeen City Voice is a panel of Aberdeen City residents. We contact our panellists on a regular basis to ask for their views on a range of issues that affect the community - sending up to three questionnaires a year.
- The City Voice is run by [Aberdeen's Community Planning Partnership](#), so it covers a wide range of topics.
- Panel members are asked to answer questions submitted by our Community Planning Partners:- Aberdeen City Council; Aberdeen Civic Forum; Aberdeen City Health and Social Care Partnership; Active Aberdeen Partnership; ACVO; NHS Grampian; North East Scotland College; NESTRANS; Police Scotland; Skills Development Scotland; Scottish Enterprise; The Scottish Government; Scottish Fire and Rescue Service and Our communities.

## Why should I join Aberdeen City Voice?

The completed questionnaires give us vital information -

- They tell us what you think about Aberdeen's public services and how we can make them better.
- They help us measure performance and improve future service delivery.
- It is very important that the panel represents all of Aberdeen's citizens so we are always keen for more people to join the City Voice.
- Anyone who lives in Aberdeen City and is aged 16 years and over can join the panel.

## Join the panel and make your voice heard!

- If you would like to join the panel and give your views on Aberdeen City, please complete the panel recruitment form [here](#).
- You will note that the form asks you to provide some personal information (e.g. age, gender etc.). This information will allow us to look at whether responses differ by different social groups within our City. Please note, we remove personal identifying information (e.g. name & address) before analysing the questionnaire.
- If you would prefer a paper recruitment form, please get in touch by phone or email and we will send one out to you.

Thank you for your interest.
